

A floor plan diagram of a rectangular area divided into three sections. The top-right section is labeled 'Bathroom 48.0 sq ft'. The middle-left section is labeled 'Living Area 192.0 sq ft'. The bottom-right section is labeled 'Deck 48.0 sq ft'. The Living Area and Deck are connected by a horizontal line. The Bathroom is connected to the Living Area by a vertical line. The Deck is connected to the Living Area by a horizontal line. There are quarter-circle cutouts in the corners where the sections meet: top-left of Bathroom, bottom-left of Living Area, and bottom-right of Deck. The walls are represented by thick black lines, and the openings are marked with small squares.
