

The diagram shows a rectangular living area with a semi-circular extension on the left side. The extension is defined by a curved line on the left and two small square markers on the top and bottom edges where it meets the main rectangle. The main rectangular area is outlined with a thick black line, and the semi-circular extension is also outlined with a thick black line. The text 'Living Area' and '126.0 sq ft' is centered within the main rectangular area.

Living Area
126.0 sq ft
