

A floor plan diagram within a thick black rectangular border. The plan shows a large rectangular area on the left and a smaller rectangular area on the right. The left area is labeled 'Bedroom' and '150.0 sq ft'. The right area is labeled 'Stairway' and '25.0 sq ft'. The boundaries of these areas are indicated by solid black lines for the top and bottom, and dashed black lines for the vertical sides. The Stairway area is filled with horizontal lines. A small horizontal line segment with square endpoints is located on the bottom boundary of the main area, between the vertical dashed lines.

Bedroom  
150.0 sq ft

Stairway  
25.0 sq ft
